## SOFTWARE PROJECTS

---

### Quiz Application <https://youtu.be/yNgrMQigVoU>

- Developed an android application using Java that allows users to learn anything, anywhere.
- Implemented SQLite backend to store user's username and password.

### Hijab Website <https://youtu.be/K6kBBWz OeY>

- Designed and developed a web application for e-commerce using HTML, CSS, and JavaScript.
- Implemented responsive web design media query for desktop and mobile.

### Tic Tac Toe

- Built a small application that allows users to simulate and visualize the Tic-tac-Toe game using a C programming language.
- Implemented control structure, file elements, array, structures, and functions.

### Book Shop System

- Developed C++ book shop system using data structure & algorithms.
- Implemented Stack and Queue Array, Sorting (Insertion), and Searching (Linear Search).

### Stationary Website

- Developed a website with interactive interfaces by using HTML, CSS, MySQL, and JavaScript.
- Developed a full-function e-commerce website from add to cart to purchase the product.

### ATM Machine System

- Built a small application that allows users to simulate and visualize the ATM Machine System using a Java programming language & GUI.
- Users can check the amount present in their account, withdraw the balance, and deposit the amount.

## EDUCATION

---

### 2020 - 2022

#### Diploma in Information Technology

CGPA: 3.98, Dean's List

Multimedia University, Selangor, MY

## RELEVANT COURSES

---

- Programming in Java
- Data Structure & Algorithms
- Internet & Web Publishing
- Mobile Application Development
- Database Management Systems

## PROGRAMMING LANGUAGES

---

- Java
- C++
- HTML
- CSS
- JavaScript
- SQL

## TOOLS & SOFT SKILLS

---

- |                  |                   |
|------------------|-------------------|
| • Android Studio | • Feedback        |
| • IntelliJ Idea  | • Teamwork        |
| • Atom           | • Organization    |
| • MySQL          | • Accountability  |
| • GitHub         | • Self-Motivation |

## HOBBIES & INTERESTS

---

- Video Game
- Swimming
- Barista
- Artificial Intelligence
